CAREER OBJECTIVE

I am seeking a challenging role as a Frontend Developer in a progressive organization where I can utilize my expertise in developing efficient and scalable applications to enhance user experience and achieve business goals. My passion for software development, strong technical skills, and ability to work collaboratively with cross-functional teams will contribute to the growth and success of the company.

SKILLS

Technical Skills
HTML, CSS, JavaScript, React.js, Next.js, TypeScript, Ethers.js, Solidity, C#, Chai, Mocha, React Testing Library, Git

Soft Skills
Great Leadership, Team Collaboration, Critical Thinking, Problem Solving, Effective Communication, Time Management

WORK EXPERIENCE

LEAD FRONTEND DEVELOPER – Sonar / Malta - December 2021 – present

- Launched the company's first NFT collection, resulting in a fast sellout and generating over $40,000 in revenue.
- Developed the Academy and Newsroom platforms, two critical features that generate the most engagement.
- Planned developer tasks for the frontend team, ensuring timely delivery and effective collaboration with other teams.
- Conducted code reviews resulting in reduced bug reports and increased code quality.

FRONTEND DEVELOPER – Soulofox / Germany - November 2021 – Jan 2022

- Collaborated with design and product teams to optimize the company's app user interface.
- Utilized Git and Agile methodologies to manage code versioning and ensure the timely delivery of features.

LEAD FRONTEND DEVELOPER – Zuri Team / Nigeria - March 2021 – July 2021

- Led a team of developers in developing an award-winning web application that won first prize in a hackathon.
- Utilized agile methodologies to optimize workflows and ensure successful project outcomes.
- Mentored developers on the best coding practices, resulting in a 12% improvement in code quality.

FRONTEND DEVELOPER – Ex Marketer / United States - January 2021 – October 2021

- Architected and developed web applications for multiple recurring clients, with a 95% satisfaction rate.
- Collaborated with development teams to ensure websites were functional and optimized for performance.
- Wrote proposals that communicated complex technical concepts, resulting in a high project acquisition rate.

WEB DEVELOPER – Freelancer - March 2018 – December 2020

- Collaborated with clients to deliver user-friendly websites that generated increased leads and conversions.
- Managed multiple web development projects simultaneously, consistently meeting project deadlines and achieving high client satisfaction ratings.

EDUCATION

ALCHEMY UNIVERSITY – United States – January 2023 – April 2023

- Ethereum Developer Bootcamp

OBAFEMI AWOLOWO UNIVERSITY – Nigeria – April 2018

- Bachelor of Science
